

# GLASS DOOR RETAINERS

VARIETY OF PARTS TO FIT YOUR SPECIFICATIONS

Kitchen Designers of today are finding new ways to feature Glass Door Applications in upper cabinets which include Etched, Stained or Smoked Glass. Recently, Communication Centers with Cork Boards or Slate Panels have been added.

Tenn-Tex Plastics has developed a Glass Door Retainer Clip Instruction Sheet that will help you easily select the correct Retainer Clip for your application. Our Glass Door Retainer Clips are also used for a Stop for Inset Cabinet Doors. For your next Glass Door Application, please call Tenn-Tex Plastics for The Simple Solution for your Glass Door Application.

All materials ©2024 TennTex Plastics • We recommend test fitting to ensure proper function • Products in this brochure are Patented or Patent Pending.

## RETAINER CLIP & INSERT COMBINATIONS

### Rabbit Depth
